**KÖSTER MF 1**  
 Mineral-based powder paint

Natural protection without chemicals - no toxins, no biocides

Easy to use & long lasting for indoor and outdoor

Adheres even to difficult substrates

## // The product

The product KÖSTER MF 1 is a natural solution for walls. Our environmentally friendly mineral paint provides protection without any chemicals - free from toxins and biocides. It is easy to mix with water, easy to apply and provides a breathable, matt finish - both indoors & outdoors. Also ideal for damp or historic walls - it adheres reliably and permanently even to difficult substrates.

- **Natural protection & environmentally friendly**
- **UV-reflective:** Enhanced effect through sunlight
- **Mineral & breathable:** For a healthy indoor climate
- **Simple application:** Mix water, brush, and roll
- **For indoor and outdoor use** - even on damp or damaged masonry
- **Durable & vapor permeable:** Ensures dry walls and permanent adhesion

## // Application process

KÖSTER MF 1 powder form

Moisten the surface lightly with water.

Mix KÖSTER MF 1 with clear water.

Apply the material with a paint brush or short haired roller.

Apply it in two coats cross wise.

Min. 3 hrs and max. 24 hrs between 2 coats.
